TROUT FISHING IS FINE.

That's the report that comes from
the trout streams.Got the fever? You "red-blooded"
men have to have a few days' fishing
about now, to keep in trim for out-
ings.No matter how much tackle you
had left over from last season you
will find new flies, leaders, etc., and
if this is your first season in this sec-
tion, Harry Johnson's experience will
be valuable to you. He has sold
tackle for years, and does a great deal
of fishing himself—knows the right
flies to use, and is willing to tell you
all about it.It will be to your advantage to select
your tackle from his stock. If you
can't call he fills mail orders carefully
and promptly. His store is located at
492 West Central.Assortment, quality and price are all
there waiting for you.Phone 1, Red Barn, 311 W. Copper
